

New Year's resolutions for your home

To help you keep everything organized, we've created a helpful checklist based on Expert advice so you can stay on track with your new year's home prep.

Here's an inspection checklist to get started:

- Check all fireplaces and chimneys
- Inspect all rain gutters and roofs
- Service HVAC system and check vents
- Check and clean all major appliances
- Windows and doors
- Check all faucets and drains
- Know where all breakers and GFCI are located and the main shut off's
- Inspect sump pumps before winter
- Conduct an energy audit
